(a) the number of food/fruits testing laboratories set up in Himachal Pradesh so far;

(b) whether it is a fact that there is a shortage of food/fruits analysts in the State;

(c) if so, the details thereof; and

(d) the details of food/fruits manufacturing units, item-wise, which are exclusively reserved for the small scale industry?

THE MINISTER OF STATE OF THE MINISTRY OF FOOD PROCESSING INDUSTRIES (SHRI SUBODH KANT SAHAY): (a) Ministry of Food Processing Industries (MFPI) provides financial assistance under its Plan Scheme to various stakeholders such as Central/State Government organizations, IITs, Universities, private sector organisations for setting up/up-gradation of food testing laboratories in order to meet domestic as well as International standards of the food products. MFPI do not setup. Food/fruits testing laboratories on its own and the schemes operated by MFPI are also not State specific. The proposals received from States and other stakeholders for setting up/up-gradation of food testing laboratories are considered as per guidelines of this Ministry. MFPI has not received any proposal from Govt. of Himachal pradesh for setting up of Food/fruits Testing Laboratory. However, as per the information provided by Govt. of Himachal Pradesh, seven food/fruit testing laboratories are working at various locations for the purposes of in house testing of food/fruit products.

(b) and (c) As per the information made available by the Health Department, Government of Himachal Pradesh, there is no shortage of food/fruits analysts in the State.

(d) The items exclusively reserved for small-scale industries are: (i) Pickles & Chutneys, (ii) Bread, (iii) Pastry, (iv) Hard boiled sugar candy, (v) Rapeseed oil, Mustard Oil, Sesame oil, Ground nut oil (except solvent extracted), (vi) ground and processed spices other than spice oil and Oleo resin spices.
